CONTOURED ARM SUPPORT	
	<p>The Contoured arm support offers better protection and comfort to the affected upper limb. This arm support can be equipped with a swing-away hand rest mechanism and a forearm strap. As an option, a gel layer can be added for additional comfort and skin protection. The Contoured arm support can be installed on a tray slide rail or with a tilting mounting clamp.</p>
<p>Options</p> <ul style="list-style-type: none"> - Standard model or with gel - Choice of mounting hardware - Swing-away handrest mechanism - Forearm strap
